

The Carlstadt News.

Volume II

CARLSTADT, ALBERTA, WEDNESDAY, SEPTEMBER 3, 1913

No. 37

R. W. Gould of Rainy Valley was another young athlete from Carlstadt, who won laurels on Monday in the Labor day games at Medicine Hat. We learn that he returned home with two handsome silver cups won in the running races.

Harry Johnson spent Labor Day in Calgary.

A. N. Cook struck a good foot of water on his farm near town last week. The depth is only twelve feet.

The big threshing outfit of Jack McLane's, started work on Alfred Hanson's farm near town Tuesday. About twenty men are in the crew, and the daily run costs over \$140.

THE SUPREME COURT OF ALBERTA 1913-1914

Sittings of the Supreme Court of Alberta, en banc, and for the trial of causes, civil and criminal, and for the hearing of motions and other civil business, will be held at the following times and places for 1913-14. - When the date set for the opening of a Court or Sitting is a holiday, such Court or Sitting shall commence on the day following such holiday.

SITTINGS OF THE SUPREME COURT EN BANC.

Edmonton. Third Tuesday in September and March.

Calgary. First Tuesday in December and June.

FOR TRIAL OF CIVIL AND CRIMINAL CAUSES.

Edmonton and Calgary. First Monday in October, and each Monday thereafter except during vacation.

FOR TRIAL OF CRIMINAL AND CIVIL CAUSES.

Edmonton and Calgary. Third Tuesday in October, February and May.

FOR TRIAL OF ALL CRIMINAL CAUSES.

Wetaskiwin. Second Tuesday in October and March.

Red Deer. Fourth Tuesday in October and February.

Medicine Hat. Second Tuesday in November and Third Tuesday in April.

Macleod. Second Tuesday in October, February and May.

Lethbridge. Fifth Tuesday in October and Fourth Tuesday in April.

FOR TRIAL OF ALL CIVIL CAUSES.

Wetaskiwin. First Tuesday in November and First Tuesday in April.

Red Deer. Third Tuesday in November and Fourth Tuesday in April.

Medicine Hat. Fourth Tuesday in November and Second Tuesday in March.

Macleod. Second Tuesday in November and Third Tuesday in April.

Lethbridge. Third Tuesday in November and Second Tuesday in May.

Dated at Edmonton, Alberta, this Seventh day of July, 1913.

J. D. HUNT.

Inspector of Legal Offices.

Wins Honors

Before a crowd of seven thousand people, Herbert Johnson the crack sprinter of Carlstadt, distinguished himself by winning honors in the 440 yard and 220 yard dashes, from the largest and best field of athletes ever gathered in Alberta at Calgary on Labor day. There were over three hundred entries in the different event. Herbert finished second in the 440 yd dash, being beaten by Ross Sheppard of Winnipeg the champion and record holder, by a narrow margin. The 220 yd dash was one of the greatest races of the day, Haliburton of Edmonton winning by a yard. It took like a dead heat, for second between Herbert and Pierce of Vancouver, but the Judges decided in favor of Pierce. The time was 22.45 seconds making a new record distance. Herbert also got 4th place in the hundred yd dash. Over fifty athletes competing in this event. Also was tied for third in the standing high jump with an actual jump of four feet six and a half inches in the jump off. Herbert's ankle troubled him and he was forced to retire. Herbert said "I didn't quite win but I made 'em break records to beat me."

About sixty friends and neighbors were very pleasantly entertained on Monday evening, at the home of J. M. Foughty a few miles from town. Good music, dancing card games and refreshments enlivened the evening. The dancing took place in the big new granary erected by Mr. Foughty.

H. W. Moore, Calgary; H. L. Langelier, Toronto; James Come, Indian Head, E. H. Turtle, Calgary, Mr. Heidy, Calgary, Mrs. Thomas Baird, High River, T. E. Sunamaker, Ponies, J. E. Prout, Perdue, R. Elliott, Calgary, A. E. McIntosh, Tripoli, W. A. Foxton, Tripoli, Joe W. Tubbs, Marshall, Minn., Paul H. Thongs, Marshall, Minn., J. M. Hamilton, Toronto, N. B. Hicks, Victoria B. C., Jno. Koch, Calgary.

Mr. H. J. Stevens of Medicine Hat, was in town Tuesday last. He reports splendid results in taking up the issue of stock of The J. H. Taber Candy Co., Ltd., of which he is the salesman. It is reported quite a number of shares were taken by parties in Carlstadt. Harry says everybody eats candy and that over one million dollars worth, is imported into Alberta every year.

English Church

Evansong and Sermon at 8 p.m. As the Bishop of the Diocese intends to visit Carlstadt, sometime in November; the Rev. T. W. Cunliffe will be glad to receive the names of any who are desirous of being confirmed, so that classes may be formed as soon as possible.

Notice of Petition re Pre-Emptions.

Petitions for the revision of the present Pre-emption Law, will be circulated from Sept. 20th, to Oct. 20th, in Postal Districts of Medicine Hat Land District. Any one interested may see petitions by enquiring of the local Post Master. For further particulars apply Duncan McCracken, Tripoli.

Dan D. Doyle of Suffield is opening an up-to-date meat market in the Thompson building.

Do you stay at the Farmers Hotel when in town. Good accommodation. Prices very reasonable.

F. C. Woolven is agent in Carlstadt for the Consumer's Tailoring Co. Fall samples have arrived.

The town well is now running under power supplied by a gasoline engine, in the guiding hand of City Engineer Farrer. A water trough for horses has been installed.

The W. A. met at Mrs. Armstrong's, Tuesday Sept. 2nd. Quitting being the order of the day. The Ladies will kindly meet there on Thursday the 4th, to finish.

Mr. Forest and family left Tuesday night, for Canton N. D.

A. D. Thompson brought in a load of grain to-day, graded by Mr. Stuart of the West Grain Co. As No. 1. A. D. says he has eight hundred more bushels of the same quality.

Rev. Mr. King of Winnipeg, spent this afternoon (Wednesday) in town.

Real Farming

Eighty-six days after planting his crop, N. L. Freng, a young farmer who has a quarter section on the Sutherland colony in Alberta, has the grain cut, threshed and stored in the granaries.

This in itself is close to a record, but besides, this young farmer finished plowing his entire one hundred and sixty acre farm last Thursday, and from now until next spring, the land will lie fallow absorbing the moisture and preparing itself for next year's crop. By this early plowing, a year will be saved, because the land will not need to be summer fallowed.

The entire process, to the completion of the plowing, was ended before the end of August, and gives an excellent idea of the climatic advantages of this district as a wheat and general grain-growing district.

Mr. Freng cropped his land last year, so his crop this year was no record. Still it was pretty fair as the following shows. Oats, 73 bushels per acre; wheat, 26 bushels per acre; barley, 40 bushels per acre. All this is the finest of grain and will be sold for seed.

Mr. Freng's results are obtained through paying attention to farming and exercising considerable foresight. He is a graduate of Wisconsin University, and has had considerable experience in farming, although a young man. He thinks this district can hardly be beaten as a grain producer, when properly farmed, in the entire Canadian west.

Next year Mr. Freng plans upon experimenting with trees and fruit bushes. He has currants, raspberries, gooseberries, and other bushes started, and next year will plant a handy crabapple, grapes and even tobacco.

Herbert Johnson the fast foot runner of Carlstadt, is a good publicity agent for this town. In his write up of the Provincial Labor Day games, the morning Albertian says "Allowing five points for every first, three points for every second, and one point for every third. Edmonton secured a fine total of ninety points, Calgary was second with thirty-five, Raymond third with nine, and Carlstadt fourth with four." It also says "The 440 yard run was a good race, but Ross Sheppard was declared the winner, with H. Johnson of Carlstadt a good second."

Children Dresses Greatly Reduced in Prices

Greatly reduced to close out a few lines.

Five only English made, Eight to Twelve Years, Reg. 1.75, now 1.25.

Little Tots' Print Dresses, Three to Five Years, Reg. 1.10, now 85c.

Mac's Office News.

Last week we told you a few things that you already knew about the JOHN DEERE PLOWS. This week we will tell you something about the JOHN DEERE DISC PLOW that you should know.

They are convertible from single to double or triple, or vice versa, the change being readily accomplished with no tools but a wrench. A purchaser of a single-disc can at any time procure the parts necessary to convert his plow into a double or triple-furrow plow. Or having a triple-disc he can easily remove one or two discs and use the plow as a double or single. That is a great convenience, that is not on mould plows.

There is no side draft with these plows, the side draft inevitable with any implement where the hitch is at one side of the center of resistance being effectually overcome by the even furrowed and the method of attaching it to the plow.

The discs on these plows may be set to cut 8, 10 or 12 inches.

The discs are equipped with ball bearings, the discs keep on revolving and performing their work in trash-covered, ashy and hard scouring soils.

The bearings are protected from sand and grit, having a receptacle for oil that avoids the necessity of frequent oiling and friction is reduced to a minimum.

We believe these are the longest running bearings used on any implement, one good oiling with a good, hard oil, being sufficient for an entire season.

If it is a disc plow you want call on us.

Remember that we have the Davenport Roller-bearing steel farm wagon. It is conceded that roller bearings reduce friction and draft and increase durability. The reduction of draft by the use of roller bearings is from 30 to 50 per cent. These roller bearings are simple in construction, and will run indefinitely without giving the least trouble.

Take notice of the Rumley Separator at work.

FRANK E. McDIARMID, Carlstadt.

P.O. Drawer G

WEDNESDAY, SEPTEMBER 3RD, 1913.

Alberta and the
Agricultural Instruction Act.

THE PROVINCE OF ALBERTA, under the agricultural instruction act of last session, which was passed for the purpose of aiding and advancing the farming industry by instruction in agriculture, will receive out of the consolidated fund of Canada during the present fiscal year \$46,924.55.

The grant is made under an agreement entered into between the Dominion and the provincial departments of agriculture, one half being paid on the execution of the agreement. The balance will be paid from time to time upon the Dominion minister of agriculture being satisfied that the money already supplied has been and is being properly expended for the purpose for which it is provided. In order to verify this, another clause in the agreement provides for the inspection by an officer of the federal department of agriculture of work carried on through its assistance, and if, in his opinion, the conditions of the agreement are not being fulfilled any further grant will be withheld.

The mutual agreement specifies the various objects to which the grant is to be applied, and fixes the sum to be allocated to each object. But in this connection there is a saving clause, so that if at any time it be determined that any of the amounts provided for any of the specified purposes can with greater advantage be varied, then by mutual consent of the provincial and the Dominion ministers of agriculture this may be effected.

In the agreement it is specifically provided that this grant is intended to supplement the amounts devoted to agriculture by the provincial government, and that in no wise shall it be used for the purpose of curtailing the customary provincial expenditure in aid of agriculture. It is also provided that at any time, when so requested, the provincial government must supply the Dominion government with a detailed statement of all expenditures associated with this special grant.

The agreement is an excellent one, providing for every contingency that may arise, setting beyond doubt the fact that the entire grant must be applied wholly and solely to the purposes for which it is made and rendering impossible the curtailment of provincial expenditure in the interest of agriculture by reasons of the new financial departure.

THE Brooks Bulletin refers to Carlstadt in sarcastic terms as the Eastern Hamlet. Ask any of the implement blockmen who tour the main line of the C.P.R. which town leads in business done. They know.

REPRESENTATIVE ratepayers in a number of school districts near town, have a plan underway to build in Carlstadt a Consolidated School building of six to eight rooms, and employing a corresponding number of teachers. It is an ambitious scheme and it will take several months to work out the details, but it is a good move and would be a splendid thing for the town, as several hundred young students would be brought into town in the vans every school day, and these would naturally do a lot of the home buying. We wish the movement success.

IN MEMORY

OF

Dileay Askew

Who entered into rest, August 18, 1913.

God be with you till we meet again,
By His counsel guide uphold you,
'Neath his winging fold you,
God be with you till we meet again.

Friends often times at parting
Will sing this sweet refrain,
Though many indeed the words scarce heed
Till we meet again.

Now Death hath called fair Dileay
From this terrestrial plane,
Their meaning clear, the words we hear,
Till we meet again.

Her life, serene and thoughtful,
Was surely not in vain,
But a guiding star to be followed afar
Till we meet again.

But in that land celestial
Where there's no grief nor pain,
With her spirit free, shall we ever be,
When we meet again. (Contributed)

Reports received by C. L. Carter, president of the local branch of the Canadian Credit Men's association, Underwood block, indicate that the Alberta grain yield this fall will be 30 per cent, better than that of last year. The reports have been sent in by representative merchants in thirty towns in Southern and Central Alberta, and as far north as Stettler. They indicate not only that the yield will probably be the largest in the history of the province, but also show that the agriculturists are going in extensively for mixed farming and are gradually giving up the production of fall wheat, which crop was frozen out on several occasions when farming in Canada's banner agricultural province was in the experimental stage.

As an example of the marked progress that is being made in systematized and highly profitable agriculture along these lines the report received from Lethbridge, which up to the past couple of years was largely a grain growing centre, shows that 450,000 hogs were raised in that district this year. The sale of these porkers means that \$10,000,000 will flow into the coffers of the prosperous farmers of that part of the province. Last year only 50,000 hogs were raised in Lethbridge district, and the big increase shown by the report is also true of other parts of the province, where the farmers have long known that the get-rich-quick scheme of growing wheat, to the exclusion of other farm crops and products is not so remunerative as it appeared to be in the pioneer agricultural days.

That there is an excellent market for hogs and other live farm products is confirmed by the highly encouraging additional information contained in the Lethbridge report, that 294,000 hogs were shipped in the first seven and a half months of this year, as compared with 20,000 for the same time last year.

The Carlstadt News Classified Ads.

FOR SALE, Section 4, Township 15, Range 10, has fifty acres in cultivation and small farm. The price of this is very reasonable. For further particulars see C. T. Hildahl, Carlstadt.

RAINY VALLEY RIVULETS

The Rainy Valley Sunday School was well attended.

If you come once to church services, you will be sure to come again.

Mr. and Mrs. John Carlson, Mr. Nelson and Miss Kaldstad, visited at the Edmunds home Sunday.

Norwegian Ladies aid met at Ole Carlson's Wednesday.

Now that grain is in stock, every one is anxious to thresh.

W. K. Gish, has started threshing on Carlson road.

Herbert Johnson is making some good running records this season.

Local and General

Geo. Whitehead of Brutus, was brought to town last Wednesday, and taken to the Hospital in the Hat at night. He is suffering from Typhoid fever.

Geo. Shields who has been loggingman at the Station for several months, resigned his position last week, for the Ogilvie milling Co. at Purple Springs, Alta.

All the Hotels in town had the "S.R.O." sign out on several nights this week. The number of men engaged in threshing at present caused the crowds.

A. Wolf of Calgary, the well known grain buyer, was in town this week. Mr. Wolf says that he only finds it worth while to stop in two places between Calgary and Medicine Hat, and Carlstadt is one of them. The other towns can all claim the rest of the honors.

W. H. Millard of Websdale, C. M. Watt of Peerless, and Henry Hayes of Websdale made their subscriptions good for another year this week.

Millard, Watt and Pratt started threshing this week. They were in town on Friday last.

Those who took in the Labor Day sports in Brooks included, the Misses Bice and Potter, and Messrs Rex Bunn, Ross Smith, Vern Starr, Frank Flannery, Walter Barnes, H. E. Bean, Mr. and Mrs. F. Jordan, Bakken, B. A. Barnes and Harold Barnes, Lester Hanson, Bert Smelger, Albert Peterson and W. D. Mackay.

Brooks Celebration Committee are well pleased with the fair success that followed their efforts on Labor Day. Rainy weather the day before no doubt kept the crowd down, but the elaborate programme was carried out with out a hitch.

Mrs. Fred Howatt, returned to Carlstadt on Tuesday, after spending several months at Rugby, and other points in North Dakota.

Alfred Prendergast, Reeve of King Municipality, and one of the best known citizens of Tripola, is very seriously ill in Brooks Hospital with Typhoid fever, contracted while working near Tilly with his team grading. Henry Prendergast of Kenex Alta. was in attendance.

Mr. J. Atkinson of Nanton, spent Sunday in town.

Messrs Hughes and Willis, spent the holiday in the Hat.

Mr. A. Muir of Medicine Hat Land office spent the holiday in Carlstadt, and shouldered a gun in search of the elusive duck.

E. H. Smith of the Atlas Lumber Co., is on a short vacation to Minneapolis. He states that he is 'at' -

Robt. A. Stuart, late of Medicine Hat, is in charge of the Atlas yard.

Mr. Richard Mahoney of Carmangay, was a guest for a few days last at the home of Mr. I. Armstrong.

F. E. McDiarmid moved into A. D. Thompson's new house.

A couple of local men expect to open an up-date auto garage in town in a few weeks.

Arthur Anderson foreman at the Elevator says he can give employment to twenty men, who can do rough carpentering.

PEERLESS PLASHINGS

Mr. P. Elliott of Websdale, was a Sunday caller with H. G. Hanson.

Mr. Swenson was in the Hat last week, proving up. Messrs Jensen and Topping acted as witnesses.

Mr. George Whitney made a trip to Redcliff last week.

Mrs. C. C. Mills was a Friday visitor, at the home of Mrs. C. W. Watt.

Mrs. T. S. Tribe has been ill, this last week.

Messrs George and J. S. Tribe returned from Olds this week.

Hon Dr. Roche Minister of the Interior, was interviewed at Medicine Hat, by a number of home-steaders from the South country, who laid their case before him to secure the pre-emptions without the payment of the three dollars per acre.

The Minister gave the deputation an attentive hearing, and stated that as he wanted to be known as a man who did things and not one who only made promises, he would make no stated promise, but went as far as to say that he would lay the whole case before his colleagues at Ottawa, and some redress would certainly be given.

W. J. Hillyard spent Labor Day in Calgary.

The Farmers' Co-operative Elevator Company,

CARLSTADT LOCAL,

Will hold a very important meeting on

Saturday at 2 p.m.

In the Farmers Hotel, to elect a grain buyer.

BE THERE

Homesteader.

The Farmer's Hotel is your home while in town. Ask those who have stayed at this hotel. They will tell you that while there they were entirely satisfied, and were so pleased with it that they will always stay there when in town.

Mrs. Gehringer, Prop.

Figure This Out

Everybody eats candy. Over three million dollars worth is imported into the Western Provinces every year and the demand is keeping up to the growth of the population.

Then, if Eastern candy makers can manufacture confectionery under Eastern conditions, high cost of fuel, etc., and can ship it great distances at a profit, why cannot this same candy be manufactured at a greater profit in Calgary, where fuel which is required in great quantities, has been secured free for the next five years, and at a minimum cost ever after.

The J. H. Tabor Candy Co. LIMITED,

Has been organized for this purpose. The Company will have an All Day Light Candy Factory, as there will not be a building within about 100 feet, and will be able to keep the factory scrupulously clean, free from coal dust, ashes and cinders on account of the use of gas, furnished free by the City of Medicine Hat for a period of five years. That will entail an additional saving in not having to engage stokers to stoke coal and look after coal furnaces to generate steam for power. In practically all candy factories in Canada, coal and coke is used at great expense, and in factories where gas is used a high price is paid for the same. Through the generous concessions to J. H. Tabor and associates by the city of Medicine Hat of free power, light, heat and all the gas for boiling confectionery and generating steam for boiling creams the labor and raw material is all that the company will have to pay.

Stock Now For Sale

The J. H. Tabor Candy Company, Limited, has a capital stock of \$150,000 divided into 1,500 shares of \$100 each. Of this stock 750 are offered for sale, of which 300 shares have already been subscribed.

Stock is offered at par, for a limited time only. The terms are 1-4 cash and the balance in 30, 60 and 90 days.

Prospectus and application form together with full particulars may be obtained from

H. J. STEVENS,

P.O. Box 180

Medicine Hat

The J. H. Tabor Candy Co. Ltd. is incorporated under "The Companies Ordinance of Alberta," being Chapter Sixty-One of "The Consolidated Ordinance of the North West Territories" and Amendments thereto, with a capital of One Hundred and Fifty Thousand Dollars (\$150,000.00), divided into One Thousand Five Hundred (1,500) shares of One Hundred Dollars each (\$100.00). The head office of the Company is at Medicine Hat, in the Province of Alberta.

There will not be any watered stock in the J. H. Tabor Candy Co. Ltd. All the concessions granted by the City of Medicine Hat to J. H. Tabor and his associates will be made over to the Company for the benefit of the shareholders. Ten per cent. of the stock has been set aside for the organization and the promoting of the Company and the selling of 600 shares of stock at \$100 per share, netting the Company \$60,000. There will then be left in the treasury 750 shares of unissued stock, which should realize the Company at the end of five years a premium of \$60,000 per share and would net the Company \$120,000 for further expansion.

The Factory will be equipped to manufacture Confectionery to the amount of (per year) 250,000. With the knowledge the members of the Company have of the Confectionery consumed in Alberta, the Company will be able to place the first year on the market 125,000. With the Concessions received the Company will only have to pay for raw material and labor. The Company can add to the cost of manufacturing 30 per cent. Thirty per cent on a turnover of \$125,000 will give a gross profit of 375,000. 12 per cent covers the cost of Office Staff, Stationery, Advertising Shipping and Sales Department on a \$125,000 business 16,000. For Repairs and Sinking Funds to cover losses 3,000. 10 per cent. Dividend on a Paid-up Capital of \$75,000 7,500. Net Profit for one year 12,000.

With only a business of \$125,000 per year at the end of five years the Company should make the following showing:

Every One Thousand Dollars invested on the above Estimates would return to the investor 10 per cent, per annum, or in five years 500. Stock would be worth 1,933. The accumulated profits, \$888, will be distributed to shareholders in paid-up stocks or dividends. Total value Larger business would mean larger profits. 2,438.

The Old Reliable Pioneer Store

If its a new suit you are wanting, come and look over our patterns and styles for fall and winter made to measure by the Consumers Tailoring Co.

The nights are getting chilly now. You need a horse blanket for those horses which are hauling the grain. We have them.

Best goods at the lowest prices.

FRESH GROCERIES ALL THE TIME.

F. C. Woollven

YOU will soon be hauling your grain to town. If you want the best in grain tanks, go to the McCormick agency, Armstrong & Son.

We also handle the Dominion and Weber wagons, I.H.C. and J. I. Case engines and threshers.

The binders we have sold are all giving the best of satisfaction. Reason. They are McCormicks.

Armstrong & Son

Railway Street.

We wish to draw your attention to the American alarm clock. Also the Big Ben. These are indispensable in threshing days. See them at the store.

B. A. Barnes - Jeweller.
Broadway Street.

The Palace Ice Cream Parlor

Will have on hand this week the following fruits
Pears, Peaches, Plums, Watermelons, Apples and Blackberries.

As specials for Saturday we will have cauliflower and celery.

I will be able to sell fruit for canning as cheap as anybody so call and look at my prices before purchasing elsewhere.

A. J. Theroux

GET YOUR CANADIAN HOME FROM THE CANADIAN PACIFIC

Wonderfully fertile land is offered for sale by the Canadian Pacific Railway Company at prices ranging from \$11 to \$30 per acre. There is no better agricultural land than this virgin Canadian soil. It is unsurpassed for all forms of agriculture, including grain growing, stock raising, dairying, poultry culture, vegetable growing, and general mixed farming! The lands are convenient to railways and markets, and are located in a land of low taxation and delightful climate.

TWENTY YEARS TO PAY

Under the Company's new policy, no land is sold to speculators, but only to those who will occupy and improve it. The terms of sale are now one-twentieth cash and the balance spread over twenty years, with interest at six per cent per annum.

ASSISTANCE TO FARMERS

Under certain conditions the Company will advance a loan of \$2000 to new settlers to be used in erecting a house and barn, fencing the land, and sinking a well. This loan is repayable on the same terms as the purchase price.

For illustrated literature, maps, and full particulars, apply to
Department of Natural Resources

The Carlstadt Pharmacy
S. F. McEWEN, M.D., Prop.

W. J. Hillyard's Harness Shop.

W. J. Hillyard has put in a good stock of saddles, bridles, whips and all kinds and varieties of harness. Call in and look it over. Repairs are well and promptly done.

White Pine Shiplap.

In the convenient eight inch width, that will not curl nor shrink. Just what you want for that granary. Also good flooring and shingles at prices that you can well afford.

We are always willing to figure the amount of material necessary to build any size of building and will not send you on a forty mile trip with four or five boards short.

C. F. Starr Lumber Co.

Rev. Mr. Cunliffe of the Anglican Church stated to the News, that the Building Fund subscriptions were coming in very satisfactorily, and that if possible the building would be erected in time for the Bishop's visit in November.

A number of Carlstadonians intend taking in the races at the Hat this week.

Mrs. Frank Shields is visiting for a few days at Mr. Shields' mother's residence in the country.

Dan D. Doyle the restaurant man of Suffield, paid a visit to Carlstadt on Tuesday.
